

SIZE CHARTS

All mentioned sizes are an indication. When choosing a product size according to mentioned body sizes you should take the variation from the standard sizing in consideration. If for example you have a waist size M and the hip size L, you will need to choose size L. Only occasionally will one persons different sizes match all measurements within the same standard size. For optimum safety and comfort we recommend to wear the products slim fit. For the best fitting you are advised to visit your local dealer.
